Granny's 100th Birthday Party

Next _____ Month is going to be Granny's 100th birthday. I think we should throw her a _____ Animal _____ themed party. She always loved those _____ Adjective _____ creatures.

We should make a _____ Noun _____ shaped cake and _____ Noun _____ shaped pinata. We should probably invite her

_____ Name of occupation _____ just in case--- just in case things get a little too _____ Emotion _____.

I called _____ Female relative _____ last night. She said she can't come because _____ Name _____ is having another dramatic short shorty reading. This one is called _____ Title _____.

But _____ Male relative _____ will be there and he said he might bring _____ Name _____ my favorite _____ Animal _____.

But I'm a little _____ Emotion _____ because he also said he's thinking about getting her a _____ Animal _____. I said, "what are you thinking, she isn't _____ Number _____.";

Do you think you could get _____ Name to come and do an interpretive dance to _____ Song title? Last year, after _____ Number drinks, it took _____ Number of people to pull him off the dance floor. Everyone thought it was _____ Name of celebrity on the dance floor!

That might be too much for Granny. It hasn't been that long since she had her bout of _____ Illness. We should have more age appropriate games ... maybe _____ Name of game? Or _____ Name of game?

I hope the weather is nice. Last year it was _____ Hot or cold outside and _____ Male relative said he was going to _____ Verb if he didn't go inside. And I don't want him inside again! It took me _____ Number of days to clear up after he _____ Past tense verb in the living room.

Maybe we should just take Granny to the _____ instead.
