cinco de mayo

Today I went to the Location. I drove Adverb throughout the streets of City Park. Many people were outside Verb ending in ing on their lawns. I realized it was cinco de mayo and in fact many of these people were mexicans Verb ending in ing the holiday. Once i discovered this i went to my Location and picked up the Noun. I sent a message to my Adjective mexican, Name of a person. He was very Emotion to hear my voice and asked what he could do to help. I told him i need my Noun cut Day of the week. He Adverb said he would do it. It was in fact cinco de mayo.
