One day, _____Dog name_____and I were out on the town, just _____Verb ending in ing_____out.

Suddenly, _____Dog name_____stops and stands still, like a _____Noun_____.

"What's wrong, boy?"; I said.

He _____Past tense verb_____at the air and took off _____Verb ending in ing_____.

"Hey!"; I yelled. "Come back!";

When I finally caught up with him, _____Dog name_____was seated next to a table full of fruit salad _____Noun_____.

And he was sniffing them!

A couple of _____Culture [ex. french, german, italian]_____people were looking at him, very _____Adjective_____expressions

on

their faces.

"Don't sniff our fruit salad!"; they cried, pushing MY dog away.

"Hey!"; I said. "Come here, _____Dog name_____";

He came running towards me and I grabbed him by the _____Body part_____.

"Let's go home."; I said.

When we got home, _____Family [ex. mom dad sister brother_____was in the kitchen, making something.

"Hey, _____First name_____; she said. "Want some fruit salad?";

I looked at _____Dog name_____and he looked at me.

He gave me that _____Adjective_____half-grin and took off running towards the bowl.

"No!"; I yelled. _____Dog name_____ don't sniff the fruit salad!";.
