# President Obama's Debt Deal Announcement

"Good evening. There are still some very important votes to be taken by members of Congress, but I want to announce that the leaders of both \_\_\_\_\_ Plural noun \_\_\_\_\_ in both chambers, have reached an agreement that will reduce the deficit and avoid default -- a default that would have had a devastating effect on our economy.

"The first part of this \_\_\_\_\_ Noun \_\_\_\_\_ will cut about \$1 trillion in spending over the next \_\_\_\_\_ Number \_\_\_\_\_ years -- cuts that both parties had agreed to early on in this process.

The result would be the lowest level of annual domestic spending since \_\_\_\_\_ Name of a person \_\_\_\_\_ was President -- but at a level that still allows us to make job-creating investments in things like education and research.

We also made sure that these cuts wouldn't happen so \_\_\_\_\_ Adverb \_\_\_\_\_ that they'd be a drag on a fragile economy

Now, I've said from the beginning that the ultimate solution to our \_\_\_\_\_ Adjective \_\_\_\_\_ problem must be balanced.

Despite what some \_\_\_\_\_ Animal plural \_\_\_\_\_ have argued, I believe that we have to ask the wealthiest Americans and biggest corporations to pay their fair share by giving up tax breaks and special deductions.

Despite what some in my own party have argued, I believe that we need to make some \_\_\_\_\_ Adjective \_\_\_\_\_  
\_\_\_\_\_ Plural noun \_\_\_\_\_ to programs like Medicare to ensure that they're still around for future generations.

That's why the second part of this \_\_\_\_\_ Noun \_\_\_\_\_ is so important.

It establishes a bipartisan \_\_\_\_\_<sup>Noun</sup> of Congress to report back by November with a proposal to further reduce the deficit, which will then be put before the entire Congress for an up or down vote.

In this stage, everything will be on the \_\_\_\_\_<sup>Noun</sup>.

To hold us all accountable for making these reforms, tough \_\_\_\_\_<sup>Plural noun</sup> that both parties would find objectionable would automatically go into effect if we don't act.

And over the next \_\_\_\_\_<sup>Number</sup> months, I'll continue to make a detailed case to these lawmakers about why I believe

a balanced approach is necessary to finish the job.

Now, is this the \_\_\_\_\_<sup>Noun</sup> I would have preferred?

No. I believe that we could have made the tough \_\_\_\_\_<sup>Plural noun</sup> required -- on entitlement reform and tax reform -- right now, rather than through a \_\_\_\_\_<sup>Adjective</sup> congressional committee process.

But this compromise does make a \_\_\_\_\_<sup>Adjective</sup> down payment on the deficit reduction we need, and gives each party a strong incentive to get a balanced plan done before the end of the year.

Most importantly, it will allow us to avoid default and end the \_\_\_\_\_<sup>Event</sup> that Washington imposed on the rest

of America. It ensures also that we will not face this same kind of \_\_\_\_\_<sup>Event</sup> again in six months, or eight months, or 12 months. And it will begin to lift the cloud of \_\_\_\_\_<sup>Noun</sup> and the cloud of uncertainty that hangs over our economy.

Now, this process has been \_\_\_\_\_<sup>Adjective</sup>; it's taken far too long.

I've been concerned about the impact that it has had on \_\_\_\_\_<sup>Noun</sup> confidence and \_\_\_\_\_<sup>Noun</sup> confidence and the economy as a whole over the last month.

Nevertheless, ultimately, the \_\_\_\_\_<sup>Plural noun</sup> of both parties have found their way toward compromise. And I want to \_\_\_\_\_<sup>Present tense verb</sup> them for that.

Most of all, I want to thank the American people. It's been your voices -- your \_\_\_\_\_ Plural noun your emails, your \_\_\_\_\_ Plural noun your phone calls -- that have compelled Washington to act in the final days. And the American people's voice is a very, very \_\_\_\_\_ Adjective thing.

We're not done yet. I want to urge members of both \_\_\_\_\_ Plural noun to do the right thing and support this deal with your votes over the next few days.

It will allow us to avoid default. It will allow us to \_\_\_\_\_ Verb our bills. It will allow us to start reducing our deficit in a \_\_\_\_\_ Adjective way. And it will allow us to turn to the very important business of doing everything we can to create jobs, boost \_\_\_\_\_ Plural noun and grow this \_\_\_\_\_ Noun faster than it's currently growing.

That's what the \_\_\_\_\_ Adjective people sent us here to do, and that's what we should be devoting all of our time to accomplishing in the months ahead.

Thank you very much, everybody.";
