the sad day

it was july 8 2009 it was my brithday. i went to with my friends to a Noun party. every thing was going great, till the cops came because Proper noun got a call from next door about the noise. Proper noun stop the party and everybody was mad and Proper noun went to my Adjective Noun. on my way home the cops came up and said you know what time is it. i said no he said it was 9:00pm. the cop got out the car and said put you hand behind your back. i did and the cop started to search me when he got down to my pockets. i Verb right in his face and i tarted to Verb the cop let me go sfter that.
