7. Same Noun
8. Measurement

wheres the fish

there once was a man that went fishing

he cought a magical Noun and it said to him

that if he let him go he would give him three wishes

and the man did so the 1st) was to have a Adjective house and a Adjective wife

the 2nd) was to have all the Noun he would need to live comfortably

for the rest of his life and his kids lifes and hie grandkids

the 3rd) was to have all the pot he would need for the rest of his life

the Same noun said ok so when u go home it will all be there

so the fisherman went home and saw his house and wife

and

piles and piles of money

but only saw a Measurement of weed

so he went back the next day and and caught the Same noun again

and was all whats up i only have this little Measurement of weed this wont last my life

the fish said yes it will

cause your goin to die next week^_^.
