out to dinner

I and my dad decided to go to dinner at Location. We sat down and I wanted to eat Number mini burgers. Dad wanted meat loaf. First for drinks, I ordered Noun and dad ordered a Noun. And just at the same time, the Noun was Verb ending in ing. The mini burgers were the Adjective I've ever tasted. Then I had a Adjective Noun. What a coincidence! It was SUNDAY!!! Then when we were all done, we decided to go to the Location.
