Celebrity Battle

We were lost. My Adjective cousin got distracted by his Body part which was for some reason moving uncontrollably. We ended up turning into an Adjective looking Animal farm. It was called Uncle Celbity with a 's' ending Adjective Same animal Farm. There were probably 20 Same animal plural roaming around. As soon as we pulled in, an overweight old man wearing nothing but a Article of clothing approached our car. "Howdy Noun I'm Uncle Same celebrity; We got out of the car and I walked away while my cousin talked to the farmer. I walked into a Adjective barn with a picture of a Body part on it. Inside I saw Different celebrity first name Different celebrity last name chained up and only wearing Article of clothing. He had Plural noun over his Body part so he couldn't talk; I took it off and unhooked him. "Thanks, pal", he said patting me on the Body part. He ran out of the barn, picking up a Noun on the way out. He hit Uncle First celebrity in the Body part with it. My cousin Past tense verb and went into the car. Uncle First celebrity then took something out of his pocket. It was a pocket Noun that he had bought at WAL-MART earlier in the day. Uncle First celebrity dodged Second celebrity first name Second celebrity last name second swing and then slashed him in the back. The The last noun you used broke on impact. "That's why you don't buy from WAL-MART!", Second celebrity first name Second celebrity last name said as he swung the The 20th thing you typed in and knocked Uncle First celebrity Body part off. I ran to the car and we drove off. Ever since, Second celebrity first name Second celebrity last name has been a professional horse breeder. Yep, Second celebrity first name Second celebrity last name is the first human to ever impregnate a horse
