The Zoo Trip

| years ago I went to thiszoo trip.It made me really mad.The first animal we saw was a | |
|--|--|
| zookeeper let it out of its cage and it started toboys.But itwith girls. | |
| The next animal we saw was the Adjective and Adjective gorilla. When we saw it,it was | |
| on the window.It smelled so bad.We left in a hurry and rode on a trolley.On the trolley,a | |
| guy kepthis nose and eating hisgot off the trolley and headed to the | |
| elephants.We all got to pet it but then itwater on me.It looked liked i just wet | |
| myself.So we went to see the grizzly bear and right when we got there it roared at us."Ahhhhh!"; I | |
| like a girl. After that I just left the zoo and went back on the bus. What azoo trip. | |
