# bad day!!!! LOL

As I opened the \_\_\_\_\_Noun I heard the \_\_\_\_\_Scream yell whisper etc. of the \_\_\_\_\_Noun. I smelled the \_\_\_\_\_Adjective scent of \_\_\_\_\_Noun as I set out for \_\_\_\_\_Place. my \_\_\_\_\_Noun danced behind me as \_\_\_\_\_Noun and other random garbage floated by me in the breeze. I felt so \_\_\_\_\_Adjective.

When i got to \_\_\_\_\_Same place my \_\_\_\_\_Noun all \_\_\_\_\_Looked smiled laughed etc at me weird. I then realized that I forgot: I was still \_\_\_\_\_Verb ending in ing my \_\_\_\_\_Clothing So, I ran into the bathroom and got out my gym clothes. When I got them out, I realized that they didn't fit. So, I had to run back home.

On the way to my house a , random newspaper flew right into my \_\_\_\_\_Body part and a \_\_\_\_\_Animal went in my \_\_\_\_\_Body part it was the \_\_\_\_\_Adjective day ever.
