A normal Day

Stacey C-

today is A day But i thought it was A day, So i started this day like normal i got out of

Noun and went to the Room to see if my Familymember was up but they werent

so i went back to my Room but on the way i got Injury and needed to crap so Bad the

Animal Was barking at me and i was like Insult And went to the bathroom

I Went Sat on the Noun and so it started It started off Adjective then got Adjective So i

gripped on to a Noun and was Adjective end wit ing All over the place and i Looked over at the

Noun holder and there wasn't any so i started yelling Saying no one answered so i yelled

Saying and still no answer so i grabbed A Noun And started to wipe but it hurt so i Grabbed a

Noun And wiped again but it wouldn't go down the Noun so i went and grabbed a

Noun and pushed all the Adjective down the Noun SO I said eh what the hell and

covered it up with Adjective, Furniture, and Noun and so i went in the Room

and there was a Animal i stood there Adjective and suprised but i was also SMELLY :).
