I went to the doctor

After _____Number_____ years, I went to _____Name of a person_____ to get a checkup. In the waiting room, there were little kids with _____Color_____ Adverb_____ snort coming out of their noses. While I was waiting to be next a loud hurdling scream came out of the room, a boy ran out with a big _____Color_____ arm. Yelling, "THAT SHOTS NEEDLE HURT!"; When the _____Adverb_____ nurse came and said I was next, I was so nervous, I fainted. The nurse woke me back up. As I _____Action_____ into the room, slowly, I noticed there was a shot on the counter. The shot's needle was _____Number_____ inches long! Full of _____Food_____ juice. Dr. _____Same name as_____ before _____ said, "Now it is time to have a shot."; I sat on the chair and closed my eyes. The big long _____Same number_____ inch long needle went in my arm. I yelled and ran, _____Same food_____ juice squirting out. I fell _____, and everything went _____Color_____. I woke in my bed to see that was all a dream. I glanced up on my calendar and saw that on _____Month_____ Number_____ Year_____ I had an appointment with Dr. _____Same name_____ as before _____.
