# How to make your very own perfect pancakes!

## Ingredients

### Pancake Mixture:

100g plain Food

Pinch of salt

1 Food

300 ml Drink

1 tbsp. melted Food or Food oil

To

## Cook

### Method

Sift the \_\_\_\_\_ Food and \_\_\_\_\_ Food into a mixing \_\_\_\_\_ Utensil and make a well in the centre. Crack the \_\_\_\_\_ Food into the well; add the melted \_\_\_\_\_ Food or oil and half the \_\_\_\_\_ Drink. Gradually draw the \_\_\_\_\_ Food into the liquid by stirring all the time with a wooden spoon until all the \_\_\_\_\_ Food has been incorporated and then beat well to make a smooth \_\_\_\_\_ Food. Stir in the remaining \_\_\_\_\_ Drink.

Alternatively, beat all the ingredients together for 1 minute in a \_\_\_\_\_ Utensil or food \_\_\_\_\_ Utensil. Leave to stand for about 30 minutes, stir again before using.

To make the \_\_\_\_\_ Food heat a small heavy-based \_\_\_\_\_ Utensil until very hot and then turn the heat down to medium. Lightly grease with oil and then ladle in enough batter to coat the base of the pan thinly (about 2 tabbsp.), tilting the \_\_\_\_\_ Utensil so the mixture spreads evenly. Cook over a moderate heat for 1-2 minutes or until the batter looks dry on the top and begins to brown at the edges. Flip the \_\_\_\_\_ Food over with a palette \_\_\_\_\_ Utensil or \_\_\_\_\_ Food slice and cook the second side.

Serving Suggestions

Food

Caster Food

Food juice

Turn onto a Utensil smear with a little Food sprinkle of Food and a squeeze of Food juice â?? enjoy!
