Dylan Garho Lee, Mark Hattori, and Mark Jordan Lee

Dylan was a wonderful young fellow. But his fear of Noun kept him in his house forever. He absolutely loved the heat. On hot, dry days, he would Verb around the yard, Verb ending in ing in the grass and have a good time. But one day, when his family was indoors and he was enjoying the 100 degree weather, THE SKY TURNED GRAY AND IMMEDIATELY POURED DOWN noun. A rain drop entered through Dylan's Part of the body and flowed straight into his Part of the body and fell out of his Part of the body. DYLAN WAS DEVASTATED. This caused a chain reaction in his Part of the body and made him die of a heart attack as well as a stroke, appendicitis, cancer, and a brutal stabbing from his mum's sister.

On the other hand, Mark Hattori was a boy who itched his Part of the body a lot. One day, he was writing an inspirational song called "It's not your fault when your friendships come to a halt and then you learn to pole vault and then eat a lot of malt,"; and he was shot to death by a cowboy named Name of a person. name of a person said, "HAHAHAHAHA. Your music smells like a boy's backside and i want to eat it and poo it out onto your face! JAJAJA"; Mark felt sad. He had worked all his life on that song and now he can't sing it to his girlfriend, Marissa Clarkissa off da hissa.

Chang was a Adjective Noun from Akali, who Past tense verb to Blitzcrank and
Past tense verb his Part of the body and Past tense verb his Part of the body and rub his
Part of the body while Past tense verb on his Part of the body and Past tense verb his
Part of the body and Past tense verb up and down on his Part of the body. He was having fun.
THEN HE DIED AND NO ONE NOES WHY. THE END.
