The marvels of creation

once approached the marvels of creation and has since then been nude in manifold encounters. Plural

noun are the prime example of the Adjective Noun found within a plethora of biological

Plural noun. This is quite Adjective when seen from a perspective of visionary ambition. Humans

have Verb to a dark age fraught with superficial preoccupations available for all. This is an alarming

situation, and all men and women should become aware of this dilemma. Once we Verb reason to

Verb above the Plural noun society has Past tense verb we no longer can progress as a

species.
