# How I became a rockstar

One day when i was \_\_\_\_\_ Number I decided to make a band with my two best friends \_\_\_\_\_ First name and \_\_\_\_\_ First name. We started taking music lessons and we tried to earn money to buy our own \_\_\_\_\_ Noun.

We were soo sure that our dreams were gonna come true. Later on in the \_\_\_\_\_ Number grade, we met more friends and they also became part of the band. They were playing the drums and the guitar. 2 years later, we got our first gig. Now known as Unstoppable we were playing in lots of \_\_\_\_\_ Event and were opening acts for Miley Cyrus, Jonas Brothers, Metro Station, Paramore, Good Charlotte and Green day. Our first hit \_\_\_\_\_ Song, was what brought us into our super stardom. Everyone loved it and after writing the song, we could all tell that prosperity was on its way.

Its been 8 years since we started working on our \_\_\_\_\_ Adjective dreams, and I don't and never will \_\_\_\_\_ Feeling it.
