Do You Have Any...

A Animal walks into a store. Pronoun asks the guy "Do you have any gum?"; Pronoun answers "No and we dont serve Animal plural"; So Pronoun goes Location and comes back a few minutes later. "Do you have any gum?"; "No! And weren't you just here?"; so Pronoun leaves and then pops back in. "do you have any gum?"; "no and if you ask again i'll staple your beak to the counter."; so Pronoun left and came back again "Do you have any staples?"; "No..."; "good. do you have any gum?";.
