# The thingy

I was walking along the           Noun           one when I noticed something           Adjective          . I smelled           Noun          

in the air. Then out of nowhere a man jumped on my           Part of the body           So I           Verb           it in the

          Part of the body          . It then explodes and my           Part of the body           fell off! I got mad and summoned my inner

          Animal          . I           Verb           and           Verb           and           Verb           and           Verb           till the man was dead.

Then I went home and had some soup.
