Chris and Madi stayed home.

One day, Chris and Madi had the chance to stay home for the first time! Their mom and dad said they could stay by themselves since they were going across the street. Chris knew they would be gone for quite a while so decided to get into stuff. Chris went to his parents _____ closet and he found a _____ door under their sink! he _____ the door and yelled in _____. Mean while, Madison was in the garage _____ for toys and came across a big, _____ steel box! It had a key pad on it so she began to _____ buttons in an effort to open it. All of the sudden the box began to shake and the door started to open! Just then, Chris _____ into the garage and said "Madison! Guess what i _____ Madi replied, "Guess what i _____;

Chris took Madi's hand and took her to the sink, as Chris _____ the door Madi saw what excited Chris !...
