One day a Adjective day i was on facebook. my bestest friend in the world asked me out thats y it was so
Adjective. Then I said Yes/no to him. He seemed very Adjective. i was Adjective
too but sad cuz my other best friend like him and she Past tense verb me alot. When I saw him after school,
he Past tense verb me. it felt Adjective so Adjective. But then my best Noun friend
Past tense verb me and I almost Past tense verb. then my bestest friend but now my boyfriend drop
kicked her and she fell to the ground. I smelled Noun.

then i faced Noun and looked in its eyes it was really Adjective.

The end
