

my birthday to my favorie place

1. Lala
2. Ok
3. It Is May 2002

my birthday to my favorite place

am 10 Ok old and today it is my birthday and i am so sad because it is snowing and we were gonna go to disneyland so i got a letter from michael jackson and i think that he is alive so he said he will be at my house in 15 minutes. its been 15 minutes and i think he is dead this is the worst birthday It is may 2002.
