# Madman

It was a \_\_\_\_\_ night when I was watching something on tv when I  
heard a \_\_\_\_\_ near the kitchen. I yelled, who's there when out came a madman with \_\_\_\_\_ in his  
hands. He slapped me with his \_\_\_\_\_ which eventually put \_\_\_\_\_ all over my  
handsome face. Then \_\_\_\_\_ I reached for my \_\_\_\_\_ and blasted his \_\_\_\_\_ face and  
splattered all over my floor was his \_\_\_\_\_ and brains.
