St. Joseph's

One day I walked into the _____ Location for Life Teen. The topic about this Life Night was the change in the new _____ Name of book. The night was called, "Words, Words and the Word."; The night started off with _____ Present tense verb that were a lot of fun to play. Then they went into a great talk by _____ Name of historical person that really opened my eyes to how awesome God's _____ Noun is! Then we got to do some _____ Adjective meditation on some bible passages that I really enjoyed. After that we went into _____ Event and talked about our meditations. It was very cool to hear what the other teens had _____ Past tense verb about each bible verse in comparison to my own. Then Thomas explained that we were going into _____ Event. I was OK with that, I have only been to Adoration once before and kind of understood how it worked. Then when we were _____ Verb ending in ing through it, I kind of opened my _____ Body part asking the Holy Spirit to lead me into whatever God wanted for me and I felt this kind of _____ Noun in my heart. It was an awesome night that I really took a lot from. Now that I know the importance of God's _____ Noun in my life, especially that I need it to survive spiritually, I am going to take the _____ Noun to invite His _____ Noun into my life more.
