It Will Rain By Bruno Mars

There's no _____^{Noun} that could save me

No matter how long my _____^{Noun} are on the floor, oh

So keep in mind all the sacrifices I'm making

Will keep you by my side

Will keep you from _____^{Verb} out the _____^{Noun}.

Cause there'll be no sunlight

if I Verb you, baby

There'll be no Adjective Noun

if I Verb you, baby

Just like the Plural noun

my Noun will do the same if you walk away

Everyday, it will rain,

rain, rain

.
