African Fable

Once upon a time, a long time ago, there lived a young Noun and Noun in a Adjective village in Africa. For some time now, the Noun had not been happy with his marriage. He began to come home late from working in the Plural noun . His Noun thought he was the most Adjective man. But she was Adjective too. His behavior was making her Adjective .

Finally, she went to the oldest man in her village, the village elder. The elder was sad to hear her marriage was not a happy one. He had married them only two years before. At the time, he was sure that the marriage would be a good one.
