Never Bother A Clown Or Else...

There Was A boy named First name He Went For A Walk At night when He saw a Shadow he turned his back and looked behind him there was a clown.He Stared at the clown for a second and started beating the clown up. as soon as he knew it he was beating himself up. He Wondered where the clown went he just knew he saw a clown. So He just forgot about the clown and walked back home, but befoure he even got on his Noun he saw a Gothlic clown with a Sharp Knife. He Said that it looked like the clown That he Beat up Every Second the Clown Got closer And Closer. He didnt know what to do. So he Saw his Nighbors house right Infront of him and ran up to the house and started banging on the door. and then all the sudden all the street lights went off. It was pitch Dark then He Heard Noun and diddent know what to do or go so he just stood still and did nothing

and all the sudden the street lights went back on and the gothic clown with the knife was standing right infront of him and all the Sudden....
