# Aquino Thanksgiving

One Thanksgiving, there was a           Noun          . He walked into his           Noun           dining room, and saw something           Adjective          .

Someone           Past tense verb           him from behind.           Verb ending in ing           he tried to           Present tense verb           from the           Noun           of his attacker. He heard a           Noun           open. The scent of           Noun           wafted towards him. Realizing he was being           Past tense verb           into the kitchen, he           Past tense verb           all the harder. But his           Noun           was in vain.

As he felt himself enter the           Noun           he heard the bubbling of a           Noun          . He felt himself being lifted. Grasping at his captor, he tried to free himself. He was being placed           Preposition           the           Noun          

Suddenly, the lights were turned on. He was let go. Sitting straight up, he           Past tense verb           the room. His family was           Verb ending in ing           him with looks of           Adjective           expectation. His           Noun           spoke up, "We have brought you here for something           Adjective          ;

His voice trembling, he asked, "What for?";

The room echoed with laughter.

"Try this       Noun      . Tell me what you think.";
