# The Princess and the Mountain Lion

Once upon a time there was a \_\_\_\_\_princess. Surrounding the castle there were evil mountain lions.

One day, the princess decided to leave the castle and go for a walk. When suddenly, an \_\_\_\_\_

mountain lion almost attacked her. She decided to make a deal with the lion and so she told him that if he didn't

attack her, she would let him live in the castle with her. He agreed. His name was Sylvester. They had dinner

together and talked about \_\_\_\_\_. But Sylvester was still hungry, the \_\_\_\_\_

\_\_\_\_\_was not enough. The princess went to sleep, but Sylvester stayed awake. He waited for her to be

completely and utterly asleep. He snuck out of his room, making sure that the princess didn't hear him. He

slowly went into the kitchen, and ate everything. All of the princess'; gourmet desserts were devoured by the

ravenous Sylvester. The princess awoke in horror the next morning to find all of her food gone. While the lion

was sleeping on the kitchen floor, she devised a plan to get rid of the annoying Sylvester. She took his

\_\_\_\_\_body and \_\_\_\_\_him into the oven. It was her plan all along. The End.
