Spore story

One day _____^{First name} and I were walking by the _____^{Noun} and we saw a white thing by _____^{First}

_____^{name} house! It was a _____^{Adjective} _____^{Adjective} night so I thought it was a _____^{Noun}.

_____^{Exclamation} I yelled. "It might _____^{Verb} _____^{Same first name} _____^{Noun}."

We were _____^{Past tense verb}. We went closer and the _____^{Noun} was gone. Then we saw something in the

window and it was the _____^{Same noun}. It was midnight and since Nick's older brother, Jacob, was a

teenager, he was allowed to stay up late. We saw him through the window.

"It's Jacob!!! I screamed.

"Warn him!" yelled Bradley.

We pounded on the windows but Jacob couldn't hear us because he was playing SPORE and the volume was

high. Then he turned it off and was about to go to bed when he heard us.

"What are you doing?" Jacob said as he opened the door.

"We saw a ghost!" we said.

“I don’t believe in ghosts. I’m going to bed.”

Jacob closed the door.

“NOOO! Don’t go!! There really is a ghost!”

But Jacob had already closed the door.

“Uh!; Sammy? Bradley was trying to tell me something.

“Why won’t he believe me? I never lied to him!” I said.

“Sammy!”

“Maybe some people don’t believe in what they don’t see.” I kept talking.

“SAMMY!!!” Bradley yelled.

“What!?”

“The ghost is right behind you.” Bradley was really scared.

“Don’t be silly, there’s no ghost behind MAAAAAAAAAAAAAHHHHHHH!!!” I screamed. “Hide!

HIDE!” “That ghost will never find us in the public pool!”

~ ~ ~

“Ok, that was very scary” I said. “I think we should change into our bathing suits so we can hide in the pool.”

“Yeah, I think that’s a good idea. I don’t think we can hide very well if we don’t.” Bradley said.

“And probably the ghost won’t believe we were prepared enough to bring our bathing suits.”

“I still can’t believe that somebody left the door unlocked.” I said.

“Yeah, maybe the security guard got knocked on the head and lost his memory.”

Bradley didn’t know why the door was unlocked either but that is what happened. Then we went to jump in the pool. We thought we were safe, but then;

~ ~ ~

“I think we’re safe here.” I said from the top of the high dive.

“Yeah, but, don’t you think the ghost just might come up here?” Bradley was worried. “*gasp*! The ghost! And there’s another one!!!”

“OH MY GOSH!!! They saw us!” I was screaming.

“A bomb at the bottom of the pool! Get it!” Bradley saw a bomb.

“But I can’t go that deep!” I could not go deep.

“Then use the high dive!”

“But I’m scared! And the sign clearly states that you can’t use the high dive ‘till you’re 12!”

“Which is worse: Getting attacked, or jumping off the high dive?”

“Uh?;

Getting attacked?â?? I said.

â??Then JUMP!!â?? Bradley pushed me off.

After I got the bombâ?; â??I got the bomb! And hurt my ears very much,â?? I muttered.

â??Throw the bomb!â??

The ghosts were climbing up the ladder. â??Yay!â?? I threw the bomb.

BBBBBBBOOOOOOOOOMMMMMMM!!!!

The ghosts were gone. I donâ??t know what happens to them if they get killed.

â??Itâ??s 3:00. Letâ??s go to our underground base and play SPORE!â?? I wanted to play SPORE.

â??Yeah!â??

.
