## **Bio for the band Roster McCabe**

Roster McCabe mixing reggae, funk and guitar-rock led by Steele'svocals and Daum's
twisting guitar solos [is one of] five up-and-coming jam bands that could draw audiences to the festivals of
Year BILLBOARD MAGAZINE
Roster McCabe sounds like no one and sounds like The second release of this three-year-old
band, Through Space anddemonstrates a deep, fresh, andapproach to modern
music by twenty something musicians.
Recorded at the famed Pachyderm Studios in Cannon Falls, Minnesota and mastered by renowned Brian "
BigBassBrian"; Gardner, this Minneapolis based quintet has created ahybrid sound fusing the
best of the past 50 years of music into a singable multi-genre album. Masterfully dipping into
reggae, disco, funk, rock, metal, pop, soul and R&B, summing up this album with a single style would be
disingenuous and

The rhythm section made up ofyear old Jeff Peterson on drums and 23 year old Scott
Muellenberg on bass sound like they've been grooving together for 30 years. The flair of Peterson's drumming
never interferes with the deepof each song- something sought after but rarely attained by
drummers. The metal-esque parallel guitar riffs throughout the albumplayed by
Drew Preiner and Michael David Daum offer ajuxtaposition to Alex Steele's soulful vocals.
From the inspiring reggae based "Swords"; admitting in these uncertain times that "love might be the only solid
ground"; to the club-raver instrumental "Soar"; including a guitar solo by Daum that sounds like it was
