The Magic Pencil

I sat in my artclass wondering how everybody managed to draw so well. Take _____Male name_____for example. His drawing was a MASTERPIECE! I can never manage to do art as _____Adjective_____as everybody else. There's this girl in my class who's really good at _____Body part_____painting. Whenever I try to draw, my picture would turn into a _____Adjective_____mess.

"; _____Male name_____ are you ready to draw your picture yet?"; Said my art teacher, Mr _____Silly word_____.

"; _____Exclamation_____"; I shouted.

I couldn't find my pencil, so I had to ask to borrow one from a very _____Adjective_____girl named _____Female name_____. She was into magic.

I put the pencil in my _____Body part_____then I began to draw. I moved my _____That same body part_____to the top right of the paper, but the pencil moved it to the left bottom. It began to draw with out me! It started to draw an _____Animal_____holding a _____Noun_____. I looked over at _____Female name from before_____ and she smiled. _____Female name from before_____had given me a magic pencil! And it drew the best picture in the class!
