# I knew we would have more than just a professional relationship

I had just closed on my \_\_\_\_\_<sup>Noun</sup> and Chris took me out for a celebratory \_\_\_\_\_<sup>Noun</sup>. After a few too many \_\_\_\_\_<sup>Adjective</sup> juice glasses of red wine at the old Local 188, we decided we weren't ready to go home. And with the Treasure Chest and Blackstones right around the corner, why would we?! I agreed to go to Blackstones with Chris if he agreed to go sex toy \_\_\_\_\_<sup>Verb ending in ing</sup> with me at the Treasure Chest. There are two \_\_\_\_\_<sup>Adjective</sup> lessons I learned from this adventure. 1 Don't go sex toy shopping when you're \_\_\_\_\_<sup>State of mind</sup>. It's like \_\_\_\_\_<sup>Noun</sup> shopping when you're \_\_\_\_\_<sup>Adjective</sup> you end with way too much in your cart and 2 A \_\_\_\_\_<sup>Adjective</sup> man may not be a \_\_\_\_\_<sup>Adjective</sup> woman's best sounding board for sex toys. After much \_\_\_\_\_<sup>Noun</sup> and little to no help from the \_\_\_\_\_<sup>Adjective</sup> guy behind the counter full of whippets (Lesson 3 might be don't buy your sex toys where \_\_\_\_\_<sup>Verb ending in ing</sup> products are sold) I walked out of the Treasure Chest which what affectionately came to be known as The Purple Master-an outrageously \_\_\_\_\_<sup>Adjective</sup> and \_\_\_\_\_<sup>Adjective</sup> behemoth of an in home entertainment system. The fact that I then \_\_\_\_\_<sup>Past tense verb</sup> it around Blackstones all night in its little brown paper bag made the night even more \_\_\_\_\_<sup>Adjective</sup>. Oh, that and getting kicked out of Blackstones because Chris practically had a bar fight with some guy who was insulting \_\_\_\_\_<sup>Location</sup> and trying to educate Chris about the real estate market here. Needless to say a bond was formed that night that no one shall ever be able to break!
