# Travelin Soldier

Two days past Noun

He was waiting for the bus in his army Noun

Sat down in a booth in a Noun there

Gave his Noun to a girl with a bow in her hair

He's a little shy so she gives him a Noun

And he said would you mind sittin'; down for a while

And talking to me,

I'm feeling a little Adjective

She said I'm off in an hour and I know where we can go

So they went down and they sat on the Noun

He said I bet you got a boyfriend but I don't care

I got no one to send a Noun to

Would you mind if I Verb one back here to you

Chorus: I cried

Never gonna hold the hand of Adjective guy

Too Adjective for him they told her

Waitin'; for the love of a travelin' Noun

Our Noun will never end

Waitin'; for the Noun to come back again

Never more to be alone when the Noun said

A Noun coming home

So the Plural noun came from an Noun camp

In California then Noun

And he told her of his Noun

It might be Noun and all of the things he was so Verb of

He said when it's getting kinda rough over here

I think of that day sittin'; down at the           Noun          

And I close my eyes and see your pretty smile

Don't           Verb           but I won't be able to write for awhile.
