# Thanksgiving Break Excuse

Dear Mrs. Johnson,

I will be unable to do the Thanksgiving break assignment because I will be too busy \_\_\_\_\_Preposition\_\_\_\_\_the break.

First, I have to go turkey hunting with my \_\_\_\_\_Family member\_\_\_\_\_. If we don't catch one, then our family will have to eat fried baloney \_\_\_\_\_Type of food\_\_\_\_\_for the holiday instead. I will have to wake up very early and find my camouflage \_\_\_\_\_Article of clothing\_\_\_\_\_before we leave the house. It is supposed to be cold, close to negative \_\_\_\_\_Number\_\_\_\_\_degrees, so you can see why I can't bring my assignment with me during the trip.

Then when we finally \_\_\_\_\_Present tense verb\_\_\_\_\_the turkey, I promised my little sister that I would help her learn to play \_\_\_\_\_Musical instrument\_\_\_\_\_. Learning to play the \_\_\_\_\_Musical instrument\_\_\_\_\_is a family holiday tradition; I would be betraying my family if I did not help my sister learn.

When the Thanksgiving dinner is finally ready, I will be \_\_\_\_\_ *Adverb* \_\_\_\_\_ busy eating to do my assignment, and afterwards I will be too full to \_\_\_\_\_ *Present tense verb* \_\_\_\_\_. I plan on gorging myself with \_\_\_\_\_ *Adjective* \_\_\_\_\_ wild turkey, creamy mashed potatoes, buttery hot rolls, green bean casserole and \_\_\_\_\_ *Number* \_\_\_\_\_ kinds of pie. You can easily see how homework will be impossible Thursday night.

As for the rest of the weekend, I will be shopping for the \_\_\_\_\_ *Event* \_\_\_\_\_ with my mother. It is our tradition to wake up very early Friday morning and go to at least \_\_\_\_\_ *Number* \_\_\_\_\_ stores \_\_\_\_\_ *Preposition* \_\_\_\_\_ our shopping trip. I volunteer to read holiday stories to the local orphans \_\_\_\_\_ *Preposition* \_\_\_\_\_ the weekends, so if I don't go shopping over Thanksgiving break, I won't have another chance. If I have to stay home to do this assignment, I will break my mother's \_\_\_\_\_ *Human organ* \_\_\_\_\_ and won't be able to read stories to the \_\_\_\_\_ *Adjective* \_\_\_\_\_ orphans.

As

you can see, it will be impossible for me to do your assignment this Thanksgiving break. Plus think of the advantage of not assigning it; you could spend the whole break not worrying \_\_\_\_\_Preposition all the students who will forget to do the work. Not assigning this \_\_\_\_\_Noun would really benefit you the most.

Thank you for understanding,

Your \_\_\_\_\_Adjective Student
