On the fourth Thursday of November, Americans celebrate Thanksgiving, a national holiday honoring the early

Native Americans
Long beforecame to the East Coast of the United States, the area wasby

southeastern Massachusetts and eastern Rhode Island had been the home of the Wampanoag people for over 12,

native people knew the land well and had hunted, and harvested for thousands of

generations.

The people whothe Plymouth Colony were a group of English who wanted to break away
from the Church of England. These â??separatistsâ?? initially moved to Holland and afteryears
of financial problems, theyfunding from English merchants to sail across the Atlantic to
settle in a â??New World.'; A ship
the Atlantic Ocean, intending to land where New York City is now located. Due to the windy conditions, the
group had to cut their trip short and settle at what is now called Cape Cod.

The Myths
Believe it or not, the settlers didn't have silver buckles on their shoes. Nor did they wear black
clothing. Their attire was actually bright and cheerful. Many portrayals of this harvest celebration also show the
Native Americans wearing wovenon their shoulders and large, feathered headdresses, which
is not true. The Englishmen didnâ??t even call themselves Pilgrims.
