

## The value of biodiversity

1. Verb \_\_\_\_\_

2. Noun \_\_\_\_\_

3. Noun \_\_\_\_\_

# The value of biodiversity

You can't \_\_\_\_\_ Verb \_\_\_\_\_ Noun \_\_\_\_\_ or eat bioderversity, so many people dont think of it as a natural \_\_\_\_\_ Noun \_\_\_\_\_. But biodiversity is one of earths greatest natural resources. When biodiversity is lost, significant value to the biosphere and to humanity may be lost along with it.
