Imagine

Once upon a time there was a Adjective girl who lived with parents too involved in their work lives. The hard working parents Verb about their seven year old daughter Adverb but they never paid much attention to her. Luckily, this was how she preferred it. The little girl was always involved in her own storybook life. Things were Adjective and peaceful.

Her house was a small cottage in the majestic forest, therefore her parents drove for over an hour each day to work, so the girl, too Adjective for kindergarten, was left alone all day. On rainy days she stayed inside and had Plural noun with her stuffed animals at the adult's table. She would crawl up the sides of the chairs and imagine she was crawling up a cold mountain, and when she got to the top she would celebrate with a feast of cookies Preposition the cookie jar.

When the sun Verb she went outside and played for hours. Pronoun friends from the forest would join her and they would have lunch by the river bank on a huge rock. When the Plural noun joined, they would turn the boulders into a grand table made of gold and had intricate Plural noun. It was a table fit for a Noun and she loved it. The wind blew a song the court jester played, and the trees crouched around them, forming the majestic and beautiful walls of the Location. They would play and play for hours, or until darkness crept up in the midst of their Adjective times.
