what to do if an octopus attacks

Hi, im here to tell you what to do when an octopus attacks. It will atack because it'll think your gonna eat it for

_____ Meal _____. It'll put it's _____ Number _____ Adjective _____ tentacles around your body and squeeze you. If it

does that, try not to _____ Verb _____ for as long as you can, while your wiggling your arms. when you dont

_____ Same verb _____ your face turns _____ Color _____ then the octopus will think you're an octopus, and goes away.

If you sprays ink on you, get a _____ Animal _____ and spray the octopus back. trust me, this works, i've tried this

before, BUT, do not try this at _____ Place _____.
