Tiny is Good, in a Keychain Kind of Way

Once upon a time there was a beautiful Noun who hailed from way up Location. She came down yonder to Verb the world of Medicare in a far away place known as Health Alliance. The beautiful princess quickly knocked out Noun and Noun with her Sharpie Noun becoming a company HEROE.

With the dragons slayed, her Adjective and her Adjective pen were needed back up north once again. Her fellow Plural noun wished her nothing but the best:

Melanie exemplifies cool, calm and collected.

I hope Melanie and Ian are able to sell their house quickly and easily.

Melanie really knows her stuff; from Medicare, to HCR, to beer and cheese, sheâ??s got it down.

Just

offer her a beer and some cheese curds, and sheâ??s your new best friend.
