7 things remake!

7 things did so well Miley Cyrus is planning to write another hit exactly like it. Check it out...

I probably shouldn't say this

But at times I get so _____

When I think about the previous

Relationship we've shared

It was <u>Adjective</u> but we lost it

It's not possible for me not to care

But nothing's ever gonna change until you hear, my <u>A name you call someone you love (example: sweetie honey lovely)</u>

The 7 things I hate about you

[Chorus]

The 7 things I hate about you (oh you)

You're <u>Adjective</u> your <u>Plural noun</u> you're <u>Another adjective</u>

You love me, you like her

You make me ______ you make me ______

I don't know which side to buy

Your friends they're _____ Something you call someone like a sterotype but add a s_(example; hippies_weirdos_nerds)

When you act like them, just know it hurts

I wanna be with the one I know

And the 7th thing I hate the most that you do

You make me love you

It's awkward and it's silent

As I wait for you to say

What I need to hear now

Your sincere apology

And when you mean it, I'll believe it

If you text it, I'll delete it

Let's be clear

Oh I'm not coming back

You're taking 7 steps here

[Chorus]

The 7 things I hate about you

You're ______ your ______ you're ______ another adjective

You love me, you like her

You make me ______ you make me ________another emotion

I don't know which side to buy

When you act like them, just know it hurts

I wanna be with the one I know

And the 7th thing I hate the most that you do

You make me love you

And compared to all the great things

That would take too long to write

I probably should mention

The 7 that I like

The 7 things I like about you

Your Body part your Body part your old Plural noun

And when we kiss, I'm ________

You make me ______ you make me _______another emotion

But I guess that's both I'll have to buy

Your <u>Body part</u> in mine

When we're _____everything's alright

I want to be

With the one I know

And the 7th thing I like the most that you do

You make me love you

You do (oh)
