# Fruity Tooty

My favorite fruit in the whole wide world is the \_\_\_\_\_  
found in the center of the \_\_\_\_\_ tree. Its skin is as \_\_\_\_\_ as a \_\_\_\_\_ but it's ten times  
more \_\_\_\_\_. Its insides are so \_\_\_\_\_ and \_\_\_\_\_ that it could make you \_\_\_\_\_.  
The auroraca's \_\_\_\_\_ smells \_\_\_\_\_ and light. I can't believe it's not everyone's \_\_\_\_\_  
\_\_\_\_\_ You should definitely \_\_\_\_\_ it sometime!
