Fruity Tooty

My favorite fruit in the whole wide world is the exotic Noun. Never heard of it? Well, it is found in the center of the Noun tree. Its skin is as Adjective as a Animal but it's Number times more Adjective. Its insides are so Adjective and Adjective that it could make you Verb. The auroraca's Noun smells Adjective and Adjective. I can't believe it's not everyone's favorite Noun. You should definitely Verb it sometime!
