Holidays in Butterfield

It's finally that time of year, the holiday season in Butterfield Hall. We hope everyone is ready to deck the halls

with _____^{Plural noun} of _____^{Noun} and spin those _____^{Plural noun} to your heart's content. We're in the spirit of creating new holiday traditions in Butterfield Hall, such as _____^{Verb ending in ing} in the blank.

The staff is ready to get in the holiday spirit as well. While walking through the building, Justin the Hall Director

spotted a _____^{Noun} drawn on many of the whiteboards. Erin brought back some freshly-made

_____^{Plural noun} from home and boy do they smell delicious! Mak got some residents together and played

some blank outside in the snow. Keven started listening to his favorite holiday song, blank, on repeat for hours

on end. Danika held a hall program where residents could make their own blanks to give their parents as a gift.

Emily rounded up her residents and went sledding at blank. And LB watched her favorite holiday movie of all

time, blank.

It's a wonderful time to be a Butterfield resident! Good luck with finals, safe travels home and we hope everyone

has a Happy Holiday!
