My gay best friend

I once had a friend called First name. We used to Verb for ages at a time, about all kinds of Plural noun. Then one day he said, First name do you want to Verb my Noun?'

I was Adjective but I Past tense verb. The first time, he took off all his Plural noun Past tense verb in front of me, and got an Noun. I Past tense verb in front of him and put his Noun in my mouth. It was Adjective. After a while, he Past tense verb into my mouth. It was warm and Adjective. Since then, we have Past tense verb and Past tense verb at least every week.

I like having a Adjective best friend.
