boring lives

in life i have a VERY boring life. All i do is go to school come back and do homework and then sleep. its so boring i always feel _____Disgusting_____at night. one day i will rule the _____World_____and i know it how you ask because i am _____Awesome_____. i know this because somebody told me that i had powers i could use in my life so it means the same exact thing. i know one day every one in the world will have an exiting life (or at least i hope).
