All about me!!!

Hey, I am _____ First name _____ Lily Harrison (not related George Leon Harrison) and I have a sort of a good life. I HAD a secret, and I told my friend ,Delaney, that I had a crush on Ringo Starr. Then she told a nice kinda mean kid that told my boyfriend _____ First name _____. And he thought Ringo Starr was a kid at our school. That made things worst. And now (it took me a long time to tell him) we are ok and Ringo Starr is not a kid at my school. And me and Jackson are happily married. And plus I am 24 years old. So I am not old to go on this website.

thanks!!

P.S. I love The Beatles!!!
