Weather report

Good evening ladies and Plural noun. Let's take a look at the weather picture. Right now the temperature is Number degrees and there are Number Adjective winds coming from the west. However, according to a report just recieved, a Adjective front is moving down from Canada. This Adverb moving mass of Adjective air is headed directly for Location and should result in a high pressure area over Location by early morning. Tomorrow we can expect temperatures in the Adjective forties. Also, it will generally be Adjective and Adjective with a chance of scattered Plural noun near the coast. If you are going out, be sure you wear your Article and a heavier Article just in case.
