what to do with my life

In the morning, first thing I wake up, I say a little Noun.

Wondering how did I get Noun

I listen to the Noun the wind of my soul

Knowing that in the end there is one Noun you do on your own.

Wondering if I know steel rail from a Noun Noun

and it's just my Noun.

But then three little Noun outside my window

tell me: everything is going to be all right.

And I all I have to do is Noun Noun Noun.
