Joke!!

hurr is a           Noun          to calm the           Part of the body          :

the           Noun          : An           Adjective                     First name                     Not or is                     In or out           the           Adjective          

of           Shape           was           Verb                     Verb           in the gym when he           Saw or spotted           a           Adjective          

          Adjective                     Noun          . He asked the           Noun           "What           Noun           in here should           I or          

          he           use to impress that           Adjective                     Noun           over there?";

the answer to joke: The           Noun                     Verb ending in 'ed'                     Her or him           up and down and said, "I would

try the ATM in the lobby".
