Letter to My Far Away Friend

Dear First name

I hope that you are doing Adjective in State. I wanted to wish you Adjective luck on your Event next week. How are things going? Are you and my other Plural noun doing Adjective? I hope you are having a Adjective time.

Here at my new school in Famous place things get pretty crowded. Mainly because I am a model for the famous place runway. I kinda feel Adjective though because I miss all of you Plural noun. I wish I were back at home with you Plural noun but I'm not and I won't be for a very long time.

I Wish You Good Luck,

Kerri Lovell.
